Subject: RE: Super Salvage

Good Afternoon Daniel,

I was wondering if you and Allison might have some time in the upcoming week (or two) to discuss the Super Salvage case. Specifically, my Water Quality group has some concerns about CWA compliance that they would like to discuss with you, and I just wanted to arrange an introduction. If you have any CWA people working on this matter, then it might be helpful for them to participate.

Thanks,

Jared Piaggione
